# School Report.

---

NORTH HAMPTON, February 15, 1894.

To the citizens of North Hampton :

As the schools do not close until the 9th of March, it is impossible to prepare accurate statistics to appear in this town report.

The school report will be printed in time for distribution previous to the annual school meeting, which is to be held on the 22d day of March at one o'clock in the afternoon.

FRANCIS R. DRAKE, Chairman School Board.

# Library Report.

---

As is well known our public library is yet in its infancy, this being the second year of its existence. We believe it was a step in the right direction having it established, and we hope with the lively interest now taken in its welfare that the succeeding years will note a steady growth. There are at the present time belonging to it two hundred and fifty volumes. On the average twenty-five books each week are taken out.

With the older readers the books of travel and biography are eagerly sought for, while the works of fiction have a charm for the young readers.

One hundred and one dollars have been expended the past year for books and twenty-five dollars for services of librarian.

GEO. L. GARLAND,	
OTIS S. BROWN,	

## RECOMMENDATIONS.

The committee appointed to recommend what sums of money should be raised for the expenditures of the town for the year 1894-5 have carefully considered the subject and recommend that the town raise the following sums :

For the payment of State and County tax,	\$1,350 00
Schools by law,	1,112 00
Schools in addition,	250 00
Text books and other school supplies,	150 00
Town library,	100 00
Interest on town debt,	65 00
Town debt,	500 00
Roads and bridges,	1,500 00
Official services,	325 00
Miscellaneous,	260 00
	<hr/>
	\$5,612 00

This is one thousand dollars less than the amount raised for the year 1893-4.
